

Introducing incadea **Vehicle Reception App** with integrated **Vehicle Health Check (VHC)**

Take another step in the digitalization process with our new mobile application.

From greeting the customer to the Service Order sign-off, the incadea Vehicle Reception App supports the Service Advisor, reducing the administrative effort and allowing more time for sales and customer care.

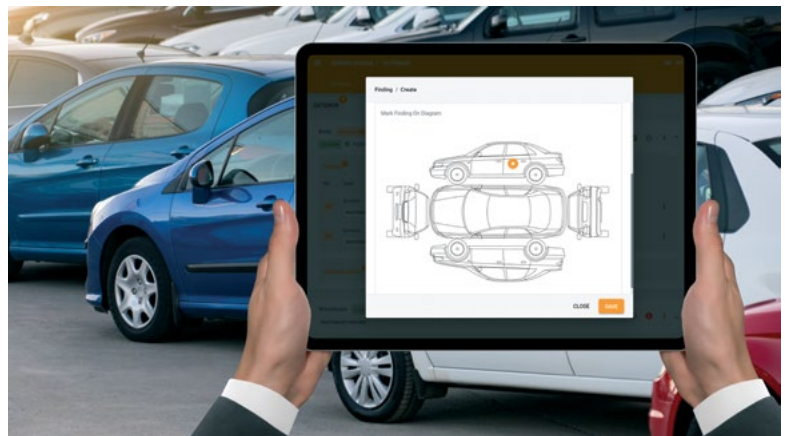

Quickly find the Service Order with AI-powered License Plate Recognition.

Benefit from a guided, structured way to document current vehicle condition and define scope of work for the Service Order with the support of the Vehicle Health Check (VHC).

Customize checklists for each vehicle type and boost the potential upsell, no matter if you service a car, a truck or a van.
